Route:

Starting from Pinerolo's city centre, then go out of the city until the Redeemer statue, go on to the Alpini's fountain at 6.5 km, until you arrive at Colletto Belvedere. Go on up to the top of the Belvedere, Then go down to Colle Pramartino and then after 7 km you will arrive to Colle del Crò, to Colle Colletto, to Colle Pra l'Abbà , going on to Colle Sperina. For a short section the the road is interrupted and you have to follow the muletrack on foot (not by bike) until the top of Colle Freidour. Go back to West Colle Aragno until the Pinerolo CAI mountain retreat, Casa Canada. Then follow a trail that eads you to Colle Ciardonet, going across of the Empire Wood passing by the Colle dell'Eremita. Go on to the divided borgata heading to Colle Infernetto arriving on a dirt road that leads to Costagrande, going out to Colomabro, Pons and Bacchiasso. Finally reach the bicycle path that leads you to Pinerolo, going back in the city centre.
